PROFESSIONAL SUMMARY

I am an enthusiastic and hardworking individual, currently seeking job vacancies. I have a strong track record in customer service and hospitality, with over 4 years of experience providing excellent service to customers. My biggest achievement was being promoted to supervisor in my previous role. I possess excellent communication skills and I am able to remain calm and composed even in difficult situations. Additionally, I have the ability to multitask and manage my time effectively. I am well organised, reliable and extremely friendly, making it easy for me to build relationships with customers quickly.

I'm an experienced Job Searching professional with a proven track record of success. I have been helping clients secure employment for the past three years, and am passionate about finding the ideal career match for each individual. My biggest achievements include helping clients secure job offers at companies such as Google, Apple, and Microsoft. From profile optimization to interview coaching, I provide my clients with the comprehensive guidance they need to succeed. My best qualities include my strong interpersonal skills, attention to detail, and creativity when it comes to strategizing for job searches. My technical skills in resume writing and networking are also top-notch, and I'm knowledgeable in the latest job search strategies. With these strengths, I'm confident that I can help anyone achieve their career goal.

I am a highly motivated and passionate job seeker with around 10 years of professional experience in the field of marketing, sales and customer service. I have managed various projects successfully and achieved exceptional results. My experience has enabled me to develop unique skills and qualities, such as excellent problem solving abilities, strong communication and interpersonal skills, great organizational skills, attention to detail, ability to work under pressure and the ability to prioritize tasks.
